To whom it may concern

Ge:Net GmbH cooperates with "Activity" LLC since 2011 in the field of wind monitoring fully complying with international standards, e.g. IEC 61400.

We can confirm "Activity" LLC highest quality of installation and maintenance works with wind measurement equipment supplied by Ge:Net GmbH.

We would be glad to continue our relations with "Activity" LLC as accurate and professional partner and recommend their services for wind measurement campaigns.

Dr.-Ing. Carsten Ropeter
President
Ge:Net GmbH
